Presidents Message

Happy Fall! Happy Rain for all you gardeners! The trees are turning colors and pumpkins are seen all over. As you ready your schedules for fall and cooler weather don't forget that

October is Breast Cancer Month. Have a mammogram to protect yourself and give everyone you know who is a survivor or going thru treatment a big hug.

Notes from the Great Lakes Region Conference:

Is your club planning on reviewing your bylaws??? Here is an idea to incorporate into your bylaws:

Electronic Meetings

- In order to have electronic meetings, these meetings must be adopted in your bylaws.

In an emergency an electronic meeting can be held but it must be ratified at the next meeting.

There is a free app—magic gavel—which can help you with questions regarding

Roberts Rules of Order. You should refer to the latest book—Roberts Rules of Order, 2nd edition, if you are using a book as a reference.

Custom (its always be done that way) does not hold if it not stated in the bylaws.

A thought for the day--"if you live in the past, you will die in the future".

Happy Halloween!!

Your Tenth District President

Carol Johnson,

630-696-6385

Recording Secretary

HOUSEHOLD TIPS

- Separating bananas from the bunch makes them last longer.
- Best way to reheat a pizza to keep it crispy base is warm in a frying pan.
- If you seal an envelope and realize you've forgotten to include something inside just place it in the freezer for an hour or two and the envelope will unseal without a trace.
- If you have an ant problem, put a small pile of polenta where you see the ants and they'll gobble it up, return home, and won't be able to digest it. Your ant problem soon will be dead.
