Presidents Message

HAPPY SPRING!!!

The birds are singing and flowers are starting to peek out of the winter leaves. All we need is more sunshine!

CONGRATULATIONS TO ALL THE CLUBS WHO RECEIVED AWARDS AT THE MARCH AWARDS MEETING. Hope to hear our club names called often at Convention receiving awards from the State Board. It shows your volunteer spirit and the commitment to your communities. In April the remainder of the District Awards will be announced and certificates given.

Come to Convention on May 18th thru the 20th. You can come for just a day to see firsthand what happens; listen to the State Chairmen and get ideas for projects for your own club; see how the business of GFWC is conducted; HAVE FUN AND MEET NEW CLUB MEMBERS! It's close by—Naperville/Lisle--- and the cost is only \$15.00 to attend.

On to summer!! We are planning the District Golf Outing fund raiser which will be on July 26, 2017. Never too early to form your foursomes. The committee is working hard to finalize the plans. Bonnie Brook CC in Waukegan is the place and for those non-golfers there will be Bunco and cards before lunch. Cost for golf and lunch is \$60.00 and for those coming for games and lunch the cost is \$25.00. We want all the clubs to participate to make it a fun day. We are asking for donations of a raffle basket (approximately \$25.00), or items to go into a basket, or a cash donation which will be used towards prizes. Let's make this a great summer experience and support your District!

~~ Thanks For All Your Hard Work ~~

~~ Keep Stepping Up! ~~

Yours in Federation,

Carol Johnson,

Committee Reports

Conservation ~ Barbara Eskoz

This article is from the Arbor Day Foundation:

J. Sterling Morton founded Arbor Day back in 1872. His idea was simple--set aside a special day for tree planting. And today, that idea is more important than ever. Trees clean air and water, slow climate change, ease poverty and hunger, prevent species loss, and feed the human soul. Arbor Day is on Friday, April 28 this year. Check the Arbor Day Foundation website for ideas for your club. Also, feel free to contact me if you have any questions about conservation.
